NEWTON HOSPITAL IS COMPLETED

ARMY MEN CONFER WITH MAYOR GREEN

T. P. Lovell, Salvage Investigator of the War Production Board of Dallas conferred with Mayor Leland Green and other business men here Wednesday regarding the wrecking of the big steel bridge known as the "Wildcat Bridge" over the Brazos River between Milam and Robertson counties just a few miles northeast of Branchville. The bridge has been in service for many years and is considered one of the old land marks in Milam county. An unusual program is being arranged by Army and civilian officials to which the general public will be invited. The exercises will be held on Tuesday, October 20th at 2 p. m. 1942, on the Brazos where the old steel structure now stands. Lieut. General Walter Kruger and other high ranking army officials are expected to attend and participate on the program. Gov. Coke Stevenson is also scheduled for an address.

Mr. Lovell came to Cameron to urge the co-operation of County and City officials also representatives of the Chamber of Commerce in making the occasion a galla day for Central Texas. There are at present more than 600 hundred soldiers camped on the brazos making all necessary preparations for the big event. Mayor Green was informed that perhaps over 1000 soldiers would take part in this unique occasion. Army engineers are stationed at the river bridge now making a survey of the grounds.

The wrecking of the Wildcat Bridge will be perhaps the second of record. The other bridge in Texas is located near San Saba and will be wrecked next Sunday.

The salvage of the bridges will go to the scrap metal drive.

City, County and Chamber of Commerce representatives are co-operating with the U. S. officials.

DR. CRUMP NOW HEADS HEALTH UNIT HERE

Dr. T. E. Crump, widely known physician here, has accepted the position of director of the Milam-Robertson Health Unit, he announced shortly after noon Thursday.

Dr. Crump will give up his general practice here, he said, in announcing he had taken over the job as director of the health unit.

Dr. Crump has a large practice in Cameron and Milam county and the giving up of his practice will place a large responsibility on other doctors, especially since there is a shortage of doctors due to the war.

Dr. Crump, in discussing his action, said he had deliberated long over the question of giving up general practice, but had decided that he could not do otherwise, since the health unit job is a full time position to which he will devote his entire attention.

Dr. Crump succeeds Dr. Roy G. Reed who has gone to the army.

In world War No. 1 Dr. Crump held a commission and was in the army medical corps reserve with the rank of Lieutenant Colonel but will not be able to accept active duty.

Training School for Practical Nurses at Newton Memorial Here

In view of the acute shortage and in response to the national emergency the Newton Memorial Hospital has instituted a training school for practical nurses.

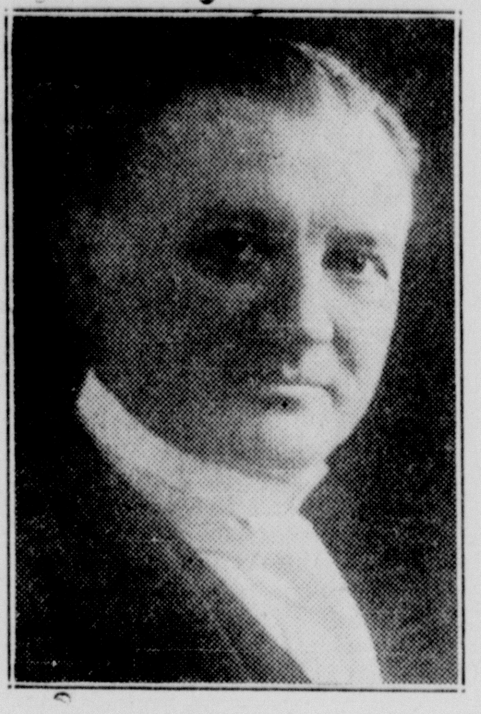
The school will be under the supervision of Dr. W. R. Newton, Health Co-Ordinator for Milam county. This training will be in the Civilian Defense program in co-operation with Dr. George W. Cox, State Health officer.

Certificates will be given at the completion of the course and all nurses completing these courses will be qualified for practical nursing.

Four graduate nurses will be in this school for practical nursing and will assist in teaching. Applications are now being received and applicants, if qualified, will be placed in the order of applicants received.

T. Y. McCormick of Minerva transacted business in Cameron Wednesday.

A High Tradition Is Perpetuated



DR. W. R. NEWTON, SR.

DR. W. R. NEWTON, JR.

The Newton Memorial Hospital to be opened formally to the public here on Saturday and Sunday, October 17 and 18 between the hours of 2 p. m. and 5 p. m. was founded to commemorate the life work of Dr. W. R. Newton, Sr. In founding the hospital, Dr. W. R. Newton, Jr., has provided modern medical and surgical facilities to perpetuate the memory of his father who was one of the best known surgeons in Texas.

The late Dr. W. R. Newton, Sr., left a heritage of service few men have been able to achieve. It is therefore fitting that in his memory the Newton Memorial Hospital should be established. Dr. Newton, before his death, was a member of the State Senate. Mrs. Newton, lives in Cameron and shares the honors which have come to this noted family.

Dr. W. R. Newton, Jr., who established the Newton Clinic here, will do surgical work at the Newton Memorial Hospital as will his associates at the Clinic, Dr. W. M. Avent, now on duty with the Army Air Crops; and Dr. H. W. Poetter, now engaged in practice with the Clinic here. The new hospital is open to all Physicians and Surgeons for use and practice.

Dr. W. R. Newton, Jr., is a graduate of the University of Texas Medical Branch at Galveston. Before opening offices in Cameron he was with the Jefferson Davis Hospital in Houston. He has taken numerous post graduate courses at leading medical centers of the United States, the latest a post gradute course in surgery in Chicago, recently.

Dr. W. M. Avent is On Leave From Clinic In Army Air Corps

Dr. W. M. Avent, associated with Dr. W. R. Newton, Jr., and Dr. H. W. Poetter at the Newton Clinic, contributed much to the planning of the Newton Memorial Hospital to open here on Saturday and Sunday Oct. 17 and 18.

At present Dr. Avent is on leave with the armed forces of the country, having volunteered and was commissioned a First Lieutenant in the Medical Corps.

Dr. Avent is a graduate of the University of Texas Medical Branch at Galveston. He was at the City and County Hospital in Fort Worth before coming to Cameron.

He came to Cameron and took over the offices and practice of Dr. C. G. Brindley who moved to Kingsville. Dr. Avent later joined the Newton Clinic.

U S MARINES MAKE A REAL WAR OF IT

New units of United States Marines and some army troops were landing in the Solomons Thursday in what was described as a show down fight with the Japs.

Under cover of the Jap fleet additional units of the Nipponese army have landed.

The Marines were making a real war of it. The situation was somewhat obscure but enough had come out in the news of the day to indicate that a crucial battle is in progress or will shortly be joined by the forces of the United States and the Japanese.

The Germans seemed determined to take Stalingrad because they have stepped up their attack and are taking severe losses in the streets of the city.

In Washington Congress was preparing legislation to make 18 and 19 year old men eligible for military duty. Passage of the bill was expected within a short time.

YARRELLTON NEWS

Mr. and Mrs. Joe Ermis of Jourdonton are visiting in the home of Mr. and Mrs. Joe Vrazel.

Miss Lydia Kostiha left for Austin Monday and her brother, Joe left for Freeport.

Miss Annie and Angeline Vrazel were visiting Lydia Kostiha Sunday. Joe Vrazel was a business visitor in Cameron Monday.

Dr. H. W. Poetter Helped Plan Newton Memorial Hospital

Dr. H. W. Poetter, now associated with Dr. W. R. Newton, Jr., and Dr. W. M. Avent, in practice at the Newton Clinic, helped plan the Newton Memorial Hospital.

Dr. Poetter is a graduate of the University of Texas Medical Branch at Galveston and after his graduation practiced in the John Sealey Hospital in Galveston.

Dr. Poetter is a native of Central Texas. He came to Cameron from a hospital in Saginaw, Michigan and joined the staff at the Newton Clinic.

He gave invaluable assistance in planning the Newton Memorial Hospital where he will do surgery along with other doctors.

Sale of Scrap Here Brings Demand for An Investigation

Sale of choice scrap gathered at Yoe High School had brought many protests Thursday.

The fact became known Wednesday when S. E. Brogdon, county director of the scrap drive, said he had called on the Superintendent to stop selling any portion of the scrap.

Several citizens today expressed bitter disapproval of the selling. Mr. Brogdon said he had contacted Austin and that scrap has been frozen and the collection here is federal property.

Mr. Brogdon could not be contacted Thursday, and it is not known what he plans. It was understood the scrap was sold to accommodate those in need of this type of equipment.

It was understood that an announcement had been made over the speaker system at the high school stating

COTTON GINNING REPORT

Census report shows that 18,354 bales of cotton were ginned in Milam Count, Texas, from the crop of 1942, prior of October 1, 1942 as compared with 11,134 bales for the crop of 1942.

Ray O'Neill, Special Agent.

Mrs. J. L. Slaughter spent Sunday in Dallas visiting her daughter, Mrs. J. A. Bielfeldt.

J. C. Keehon, oil operator out of Houston was in Cameron on business Wednesday.

Physical Therapy Department at Newton Hospital is the Best

The Physical Therapy Department at the Newton Memorial Hospital opening here Saturday and Sunday, formally to the public, is one of the outstanding features of the new medical center conceived in the founding of the hospital.

Ultra-violet, infra-red lights, X-ray, short-wave machines, diathermy machines, and other special type of electric treatments are one hand.

An Elliott treatment machine for special treatments in diseases of women is in this department.

The basal metabolism machine is of the waterless type which makes for more comfort during metabolism tests.

The electrocardiograph is of the latest model. A stetho-cardiette forms part of the equipment. These latter two are used in diagnosing and studying diseases of the heart and along with X-ray and clinical examination, give most complete information about the heart.

Emergency Room at Newton Memorial Hospital the Best

The emergency room at the Newton Memorial Hospital is an all important feature of the hospital.

It is well equipped with necessary instruments and special shadowless, adjustable operating light.

Like the main operating room, it is available to all doctors at all times, day and night.

Charter for Newton Memorial Hospital Outlines Purpose and Objectives to Be Achieved; Will Be Unique Service to Humanity In This Community

The Charter granted by the State of Texas to the Newton Memorial Hospital reveals the type of institution which has been founded here.

The hospital is a non-profit institution and provision is made for its growth and expansion.

The charter was drawn by Emory B. Camp, Cameron lawyer, and in part reads as follows:

"The purpose for which this corporation is formed is the acquisition, erection, maintenance and operation of a benevolent, charitable, scientific and educational hospital in the City of Cameron, Milam County, Texas, for the purpose of administering to the sick, the infirm, to the helpless, to the mained and to the afflicted of all creeds, colors tand nationalities, as may be brought to or presented to such hospital for treatment and nursing care. To alleviate the ills and sufferings, paints and afflictions of all such persons as are included as set forth above and to restore them as far as possible to the best condition of health, and to carry on research work in connection with the hospital in the various fields of medicine, surgery and alleviation of human suffering, and for training physicians and surgeons in the study and research of medicine and surgery, and for training nurses in the work and duties of nursing for the sick, the infirm, the maimed, and the helpless and aiding physicians and surgeons in the practice of medicine and surgery, and for the further purpose of accepting, receiving and acquiring of funds, stocks, securities and property by donations, bequests and devises or otherwise, and holding, investing, reinvesting, converting, exchanging, selling, transferring, leasing, mortgaging, pledging and disposing of any and all funds, stocks, securities and properties so received or acquired for the purpose of maintaining said hospital, not for profit, and the doing of all acts and the exercising of all powers and assuming all obligations necessary or incident thereto.

"The corporation shall have no capital stock and shall not be operated for profit. Its support shall be provided by endowment, donations, devises and bequests, and from such fees as may be collected by it for services rendered patients whos financial condition enables them to pay therefor. No portion of such funds shall ever be applied to any other purpose other than the purchase, erection, maintenance, operation, enlargement and improvement of such hospital and clinical facilities, supplies, equipment and expenses incidental thereto."

John Thweatt and son Wayne of Maysfield and son in law of California were Cameron visitors Wednesday.

James Brock has gone to LaGrange where he will be employed with the Magnolia Petroleum Co.

Operating Room at Newton Memorial Hospital One of Most Modern in Texas; Latest Type of Equipment Gives it Pronounced Distinction

A distinctive feature of the Newton Memorial Hospital which is to be formally opened here Saturday and Sunday, October 17 and 18 between the hours of 2 p. m. and 5 p. m. each day, is the modern operating room.

In this department of this modern hospital nothing has been left undone to provide the most modern surgical room possible. The equipment is the best and most modern that money can buy and this room is an outstanding feature of the hospital and one in which the surgeons take just pride.

This modern operating room is open to all doctors at all times day and night.

The floors are covered with battleship linoleum for cleanliness. Green tile wainscoating with white walls and ceiling, set off the room in a sanitary, pleasing manner.

The hydraulic operating table has over 500 adjustments. It is the last word in such equipment and one of the best to be had in the world. Any operative position may be obtained and maintained with comfort to the patient and safety.

Special anesthetic machines, oxygen, gas suction apparatus and ample instruments are available.

Modern operative lights are in use. They can be focused at any depth, direction, or distance. Three special shadowless lighs may be arranged for maximum vision.

The operating room is to be airconditioned so all incoming air is completely filtered, purified and sterilized with ultra-violet irradiation. Proper temperature for the patient is maintained throughout all operative procedures. There is automatic heating in the winter and automatic refrigerated cooling in the summer. Thermostatic controls operate the system.

TO BE FORMALLY OPENED TO PUBLIC SAT. & SUNDAY

The recently completed Newton Memorial Hospital will be formally opened to the public on Saturday and Sunday, October 17 and 18 between the hours of 2 p. m. and 5 p. m. each day.

The hospital was founded to commemorate the life and work of the late Dr. W. R. Newton, Sr., and is dedicated to the service of humanity.

Differing materially to the average of hospitals the Newton Memorial is destined to share in large measure the medical and surgical service in Central Texas and to grow and expand into the ideal institution conceived in the plans by its founders.

Chartered under the laws of Texas as a non-profit organization all revenues are expressly set aside to be invested in the expansion of the hospital.

While the hospital has been in operation, due to the extraordinary demand for its services here, its formal opening was delayed until a more convenient day and two days have been chosen by the Board of Directors for the opening.

Founded May 11, 1942

Charter was granted to the hospital of May 11, 1942, and the following are Directors: L. A. Dusek, Jefferson B. White, Emory B. Camp, A. L. O'Connell, B. M. McMillion and F. G. Blake.

Due to war conditions some of the equipment was difficult to obtain and thus the opening has been delayed. It is a non-profit corporation and the facilities and operating rooms are open to all physicians and surgeons at all times day or night.

In Newton Home

The hospital has been built from the home of the late Dr. W. R. Newton, Sr., and by expanding certain portions of the building and making additions the hospital is commodious and uniquely arranged.

All the essential features of a modern hospital have been incorporated and the latest type of equipment has been purchased. To make the hospital modern much time was spent by the planners and by architects to perfect all plans.

One of the outstanding features is the home like atmosphere of the hospital. Each room is specially equipped with hospital beds, all essentially constructed for the desired type to provide the utmost in utility and comfort. They are the fracture type, adjustable in any position to make for the complete comfort of the patient. All have inner spring mattresses and all beds are of this type throughout the hospital.

Has Modern Nursery

Of especial interest is the Nusery where new born babies spend their first days. This Nursery is an exclusive feature here and is equiped with every modern furnishing. The walls are blue with white storks and new arrivals are placed in special Bassinets. The air in this department is sterilized and nurses who enter are required to wear caps and masks.

Dr. W. R. Newton, Jr., of the Newton Clinic, said that babies are given these accomodations because of the necessity to protect them. Babies are not as immune from disease as are adults and therefore any modern hospital must take these precautions. So the little fellows are put in the Nursery where they get special care and feedings.

The labor and delivery room where babies are born is to be equipped with a modern delivery bed. There will be complete supplies and equipment for any emergency and this room has been made prominent in the general scheme to provide a modern hospital.

Special Heat, Ventilation

Outstanding in the hospital is its ultra-modern heating and ventilating system. It is automatically controlled. All air is sterilized and purified. Under the thermostat control an even temperature is maintained.

The system is an alternate arrangement for heat in winter and for air conditioning in summer. It is designed to maintain the most healthful degree of temperature at all times. In winter it is heated with fresh, setrlized and purified air and in summer the same is true of the colling air.

Graduate nurses will be on duty at all times.

Dr. Newton Planned It

The hospital was planned by Dr. W. R. Newton, Jr., and into the institution has been incorparted all the modern features to meet the demands he has made for an ideal hospital. It is the most modern that money can provide and has complete facilities for all types of medical and surgical work.

The Newton Clinic has no connection with the hospital and will continue to retain offices in the First National Bank Building. Members of the staff at the Clinic are Dr. W. R. Newton, Jr., Dr. W. M. Avent, now on leave in the air crops of the United States Army; and Dr. H. W. Poetter.

Open to All Doctors

The hospital is open to all physicians and surgeons alike, and may be used as was intended to promote research and a better medical, obstetrical and surgical center for Cameron and Milam county.

The hospital is compact and will have special appeal for doctors as well as the patients.

Sterilization Room

The sterilization room is equipped with every modern device and is com- (turn to page four)

Things We Want To Say

Publisher Bill Cooke of the Rockdale Reporter has something to say about Cameron's failure to live up to obligations in the sale of War Bonds. To-morrow, we expect to comment also. Here, in part is what Mr. Cooke says:

Why Cameron!

Pitiful was the story told by the two Cameron newspapers last week in reporting on what should have been a Big Bond Rally held in the Friendly City. Cameron, far behind on Bond Sales for the year, had scheduled a big rally Monday night at the athletic field, the rally designed to result in sales that would make up a large part of the more than $90,000 that Cameron still needs to sell. The rally was, to put it mildly, a flop.

Said The Cameron Herald: "Cameron's War Bond Rally scheduled for Monday night was poorly attended and in view of the expected response was a failure, it was agreed here by leaders." The Herald was undecided as to whether the failure was due to sabotage or the result of rock-ribbed complacency.

The Cameron newspapers, I have it from reliable Cameron sources, were quite correct in their reports. In fact, I understand that at the huge athletic field that night, which will hold a crowd of multiple thousands, there were exactly 106 people . . . and of this 106 a survey by a Cameron man indicated that there were not more than 12 or 15 potential bond buyers.

What's the matter with Cameron? Not that it is any of Rockdale's business outside of the fact that the Friendly City's record in helping the war effort makes Milam county look bad. And after all, Rockdale, too, is a part of Milam county. I hesitate to make these remarks because Rockdale has passed its quota and Cameron is for behind . . . and I write this not to be bragging on Rockdale but to let Cameron know that the rest of the county is not very proud of their record. I would willingly address the same criticism against Rockdale citizens if they had showed the same complancency that Cameron is showing.

By way of comparison: Cameron, lagging on Bond sales by almost a hundred thousand dollars and with only three months left in the year, turned in Bond sale of $4,900 last week. Rockdale already $12,000 over its quota, was not content with this and reported sales the past week within $100 of Cameron. Sales here last week were $4,800.

Cameron's quota for the year is $227,500 almost three times as heavy as Rockdale's $81,700 quota. But Cameron is almost three times the size of Rockdale. The quota is not unreasonable. So far this year sales in Cameron are only $36,700 greater than in Rockdale, a pitiful figure in comparison to population, bank deposits and wealth.

Cameron, you're not only letting Milam county down, you're proving a big disappointment to your Uncle Sam. It's a shame. It sure is.

Gloria Halberdier is visiting Mary Louis Watson in Temple for a few Boldt is the sister of Mr. Halberdier. days.

—what's going on—

Milk Increased to Students in Schools

Students in Cameron schools will get more milk under the terms of a contract entered into by the School Board and the Agricultural Marketing Administration.

The plan is to assure each pupil a glass of milk a day if they desire it.

The School Board buys the milk and the government pays 8c per quart. The remaining 2 c per quart is paid for by the Community Chest and by students. The total cost of the milk is 10c per quart.

At present 19 gallons a day is being served at the Ada Henderson school; 6 gallons at the high school and 6 gallons at the negro school. Arrangements are being made to serve milk at the Mexican school also.

Mrs. Ray Robertson of Temple, formerly of Cameron, visited her mother here for the week end.

B. F. Seidle and Otto Dornhoefer of Bushdale transacted offical business in Cameron Monday.

A. J. BODUSKY BURIED IN CAMERON MONDAY

A. J. Bodusky, 63, died at his home in West Cameron early Saturday morning.

Funeral services were held at St. Monica's church Monday morning at 9 o'clock with Rev. George Duda, reading the Mass. Interment was made in St. Monica's Cemetery with the Marek-Burns Funeral Home directing.

Mr. Bodusky had been a resident of Cameron for many years. He is survived by one sister, Miss Mary Heinz of Cameron and the following children: Joe Bodusky of Cameron, Christine Sebesta of San Antonio, Mrs. E. H. Horelica of Cameron and two grand children.

Coleman Duncan has gone to San Antonio to engage in Defense Work.

METHODIST CHURCH NEWS

Mr. and Mrs. A. J. Smith and Rev. and Mrs. Bob L. Pool attended the formal installation of Dr. J. N. R. Score as president of Southwestern University at Georgetown on Tuesday. Mrs. R. L. Batte is attending the Spiritual Life Retreat at Casa Del Mar near Galveston this week. The Anniversary party for the Woman's Society of Christian Service held Monday in the home of Mrs. R. H. McIntosh was a grand success. The Fellowship Supper and Annual report meeting conducted in the church social hall Friday night was well attended and the reports showed fifty four new members and over $8,000 raised for the year.

Rev. Bob Pool and wife visited Private Oscar Pool at Shepherd Field and Staff Sargeant Archie Dement at Camp Crowder last week. They stopped over for breakfast with Dr. and Mrs. L. N. Stuckey of First Methodist Church, Oklahoma City; Rev. Mr. Pool appeared on the 8 a. m. radio broadcast with Dr. Stuckey on Wednesday.

The Church activities for the week of Oct. 11-17 are as follows:

Sunday School 9:45 a. m.

Preaching by the pastor Sunday at 11 a. m. and 8 p. m.

Epworth League 7 p. m. Sunday.

Woman's Society of Christian Service in two groups of study Monday at 3 p. m.

Finance Committee at 8 p. m. Tuesday.

Prayer meeting at 8 p. m. Wednesday.

Choir practice at 8:30 p. m.

Young People at 8 p. m. Thursday.

We don't experiment with your radio—We repair it—You pay less for our service. Any make radio.

Mr. and Mrs. M. W. Boldt of San Antonio visited in the home of A. H. Halberdier over the week end. Mrs.

With Gas Company

MISS MINNELL CANTRELL

Miss Winnell Cantrell has been named home economist for the Waco Division of Community Natural Gas Company—Texas Cities Gas Company which includes Cameron, according to A. P. Rowland, division superintendent. Formerly stationed at Corsicana as division home economist, Miss Cantrell succeeds Miss Mary Nell Johnson, resigned. Her services will be available to all customers of the gas company.

"In assisting customers with their home making problems," Mr. Rowland said, "Miss Cantrell will confer with housewives on the principles of nutrition and how to meet wartime feeding responsibilities and food conservation in the face of rising costs and the rationing of certain foods. She will advise on food preparation and recipes and menus."

Miss Cantrell graduted from the Parks High School, in Stevens County near Breckenridge, and received her degree in home economics from the Texas State College for Women at Denton. Prior to a year of teaching home economics at Moran High School, Miss Cantrell was interior decorator for a Breckenridge concern.

HOSPITAL
(continued from page one)

plete in every respect. A special feature is a modern gadget which indicates whether each and every pack is sterilized. There is no chance for non-sterilized equipment to be used.

Sterilized instruments, supplies and equipment are kept on hand at all times and in readiness for use at a moment's notice and to serve in times of emergency.

A Home Kitchen

Patients in a hospital are apt to have little to do except to look forward to their meals and this is one department that has not been overlooked. With characteristic Newton thoroughness the kitchen is one reason why patients will like the Newton Memorial Hospital.

The rooms are all finished in the cheerful colors to afford a light and airy atmosphere. In building the hospital and equipping it the founders departed from the corridor, dingy type to make something unique and as re-assuring as a home.

Colored Unit

Separated from the main building is the colored unit. This unit is equipped in the most modern manner and patients get the same good attention and treatment. This department is light, airy and home like and already has had a number of patients.

DEEDS

Mrs. Hattie Smith Ralston to Aubry R. Price, lot 5 in Block 1 in Tuckers' addition to City of Cameron, $600.

YOUR ELECTRIC APPLIANCES . . . are more precious now than ever before . . . because your appliances save your time, help protect the health of your family. This is especially important during war time when both time and energy are so much in demand.

See Your APPLIANCE Repair Shop

DO THIS..
1 Keep appliances clean.
2 Keep them properly oiled.
3 Do not allow appliances to get too hot . . . turn off current when not in use.
4 Take good care of electric cords . . . do not allow them to knot . . . repair them when they show signs of breaking.
5 Defrost your refrigerator often . . . this increases its efficiency.
6 Release the pressure on the wringer of your washing machine when not in use, and prolong the life of the rubber rollers.
7 Always keep extra fuses on hand and eliminate unnecessary delays in restoring service when a fuse blows out.

TODAY—Your Electric Appliances are now priceless possessions. For the duration they will be difficult or impossible to replace because men and factories are on war work. With proper care and use, however, they should serve you well until new ones are available. Your Electric Appliance Serviceman will give you every possible help to keep them operating with utmost efficiency. Keep your electric appliances working . . . and retain the full benefit of the time-saving, health-promoting, comfort-giving services they provide!

When Lincoln was assassinated excitement ran high, and some demanded vengeance on certain newspapers. Garfield, at that time a representative in Congress, addressed the rioters and calmed them, quoting Psalm 97:2.

KLEYPAS-STRICKLER

Miss Nelcise Kleypas became the bride of Clarence Strickler at Burlington on Saturday, Sept. 26th, at 8 a. m. The ceremony was performed by Father O'Regan in St. Michael's Church. Mrs. Bernard Kleypas attended the bride, while the bride goom was attended by Bernard Kleypas.

The bride is the daughter of Mr. and Mrs. John Kleypas of Burlington. Before her marriage she was employed at the AAA office in Cameron.

Clarence Strickler is the son of Mr. and Mrs. Walter Strickler of Ben Arnold.

A breadkfast was served to the bridal party and the immediate families at the home of the bride.

Immediately after the breakfast Mr. and Mrs. Strickler left for a short wedding trip.

Mrs. Bartle Crenan Honors Bride

Around seventy-five guests assembled at the Bartle Crenan home Monday evening when Mrs. Bartle Grenan, Mrs. Leo O'Neill and Miss Mary Gleason entertained with a miscellaneous shower honoring Mrs. Strickler the former Miss Nelcise Kleypas.

Miss Barbara O'Neill, Laverne Litzman and Pauline Nolan were in charge of the games.

Prizes were won by Mrs. Frank Rogers and Miss Virginia Sue Rogers which were presented to the bride.

The gifts were unwrapped by Miss Rosemary Kleypas and Pauline Nolan They were presented to the bride by Miss Barbara O'Neill and Laverne Litzman old schoolmates of the bride.

Refreshments were served consisting of chicken sandwiches, potato salad, pickles, angel food squares and hot Chocolate.

Woodie W. Smith a Baptist Evangelist of Fort Worth preached at the First Baptist Church Thursday night. Next Thursday night, October 22, he will show the life of Apostle Paul and the Jap bombing of Pearl Harbor, also a news reel showing President Roosevelt.

ANGELL-SMITH

Vows were exchanged between Miss Dora Marie Angell of Val Verde and Reuben R. Smith of A & M College. Judge Jeff T. Kemp performed the single ring ceremony at his office, Saturday afternoon, October 10th.

The attendants were Mr. and Mrs. Ronny Short, the newly married couple, Miss Myrtle Russell of North Elm and Miss Leola Angell, the bride's sister.

The bride was lovely in a soldier blue dress with navy accessories. For something borrowed she carried a blue lace handkerchief owned by Mrs. E. E. Raeke. For something old she wore a lovely old breast pin owned by Mrs. Andy Dragoo.

The bride is the laughter of Mr. and Mrs. Edward Lee Angell of Val Verde. The groom is the son of Mr. and Mrs. John Smith, also of Val Verde.

Miss Angell graduated from the Cameron Yoe High School and Mr. Smith graduated from Rogers High School.

The couple will make their home in Bryan where Mr. Smith is attending A & M College. He will be commissioned a second Lieutenant in the Army upon his grauation next spring.

Meat From 3 Beeves Killed by Lightning Condemned by Marshal

Gene Smith, city marshal, requested the Herald to warn the people against the meat of 3 beeves he said were killed in an electrical storm early Thursday.

The animals were on feed in a lot owned by R. L. Batte. When the carcasses were discovered early Mr. Batte gave the meat for whatever use could be made of it.

Mr. Smith said he had looked at the meat and had condemned it as the animals were badly swollen. None of the meat will be allowed sold in Cameron markets, he said.

The beeves were killed by lightning during the early morning storm.

R. L. Halbrooks of Bryan was a business visitor in Cameron Wednesday.

What You Buy With WAR BONDS

The Aerial Camera for use on Scout and Observation and Reconnaisance planes is essential to both the Army and Navy air forces in planning battle formations and in obtaining information on enemy fortifications and movements. They look something like a cannon, and cost about $3,400 apiece.

The aerial cameraman can plot wide territories in bold relief so that Army or Navy Intelligence can make accurate measurements of enemy territory. We need many of these cameras so necessary to the air arms of the Army and Navy. You can help buy them with your purchases of War Bonds. Invest at least ten percent of your income every pay day, and help your county go over its War Bond Quota.

U. S. Treasury Department

Mrs. J. T. Hale of Rockdale was a guest in our city Wednesday.

SALE

SALE on MADE-TO-ORDER all wool Suits and Overcoats, Oct. 1st, to November 1st, at much under ceiling prices.

There will not be another sale on all-wool Suits this year or in 1943.

J. L. Taylor & Co., of New York and Chicago, make fine tailored garments that fit right. All-wool Suits from $25 up. See the great values.

J. P. Werner

THE STATE OF TEXAS

TO: Benito Pina—Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of October, A. D., 1942, at or before 10 o'clock a. m., before the Honorable District Court of Milam County, at the Court House in Cameron, Texas.

Said plaintiff's petition was filed on the 18th day of August, 1942.

The file number of said suit being No. 12083.

The names of the parties in said suit are: Isabeia Pina, as plaintiff, and Benito Pina, as defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues defendant for divorce alleging, as ground therefor, that defendant was guilty of cruel and excesss treatment of plaintiff rendering their further living together as husband and wife insupportable.

Issued this the 8th day of September, 1942.

Given under my hand and seal of said Court, at office in Cameron, Texas, this the 8 day of September A. D., 1942.

W. C. (Nig) MOODY,
Clerk, District Court, Milam County.

Mrs. Dan Thweatt and Mrs. Vina White transacted business in Cameron Wednesday.

The formal opening of the Newton Memorial Hospital here on Saturday and Sunday, October 17 and 18 will insure Cameron and Milam county with modern, new hospital facilities and is a welcome development.

Founded as Memorial this hospital will no doubt have a wide appeal in the type of service it will render.

We wish for it every success and congratulate those who brought about its founding.

Community Natural Gas Co.

ARMY TO DEMOLISH BRIDGES OVER BRAZOS

San Antonio—Third Army engineer troops will demolish two abandoned steel bridges to aid the War Production Board drive for scrap metal, Headquarters Third Army, Lt. Gen. Waltee Krueger commanding, announced today.

The engineers estimate that approximately 400,000 pounds of scrap steel will be gained.

One of the bridges is over the Colorado River 12 miles west of Lometa, is known as the Old Red Bluff bridge, and is jointly owned by Lampasas and San Saba counties. It 's 240 feet in length. The other spans the Brazos River 6 miles west of Calvert, is know at the Wildcat bridge and is owned by Robertson and Milam counties. It is 200 feet long.

The four counties concerned have granted permission for the Army to blow up the bridges as demolition training, and through the regional office of the War Production Board in Dallas have arranged for channeling the scrap obtained into war use.

Troops from Camp Swift, Camp Bowie and Camp Barkeley will arrive at the sites of the bridge October 12 for a week's preliminary training in demolition work utilizing dummy charges. All engineer operations will be conducted under conditions similar to those likely to be encountered in combat.

After the bridges have been blown up, the troops will remain at the bridge sites for several days performing additional cutting operations with explosives and readying the felled structures for easy dismantling. The counties concered will sell the metal to scrap dealers for the nation s war effort.

The present war has dmonstrated the importance of training troops of all arms in demolition work, and destruction of the two bridges will afford a valuable opportunity for war time training. Official cameramen will film the destruction to provide a means of spreading the training to other army units.

An engineer officer will be in charge of saftey precautions at both bridges. Soldiers will stand guard over the danger zone surrounding each bridge, and civilians will be asked to obey the safety rules for their own protection.

WEDDING DINNER

Mr. and Mrs. Buddie Fuller observed their seventh wedding anniversary with a dinner last night at their home. It was a delicious chicken dinner.

The guests were Mr. and Mrs. Mott Terry, Mrs. Ralph Clark, Chathline Terry, Anna Lee Kirk, Mr. and Mrs. Shep McClerran and two children, Mr. and Mrs. Calvin Markham and son, and Mr. and Mrs. James Fuller.

After the dinner was served, the gifts were opened and they received many.

COPELAND-MATTHEWS

Miss Edith Copeland became the bride of J. P. Matthews, Monday, October 12th in the office of Judge Jeff T. Kemp, the judge reading the ceremony. The bride was attired in combination suit on navy and white with red trimmings. Both parties live at Gause and will make their home there.

ANGELL-SMITH

Reuben R. Smith and Miss Doris Marie Angell were united in marriage Saturday with Judge Jeff T. Kemp reading the ring ceremony.

The bride is the daughter of Mr. and Mrs. Ed Engell of Val Verda. She was attractively attired in a late model of navy blue with matching accessories.

The bride groom is a student at A & M College, and was dressed in his uniform. They were accompanied by a number of friends who witnessed the ceremony.

Cameron Band to Give Victory Concerts

Cameron's High School Band will give a series of Victory Concerts beginning October 15th.

Many high schools in Texas are featuring victory concerts in accordance with Governor Stevenson s proclamation.

No regular admission charges will be made. Admission to the concert will be the purchase of either war stamps or bonds at the door.

Emil Stork Enlists In Air Corps at Randolph Field

Randolph Field, Oct. 12.—Emil Stork of Cameron, was one of the eighty-two mechanics and radio technicians who enlisted at Randolph Field last week, Major Thomas J. Royder, technician procurement officer, announced.

Stork was one of the group of men from six different states who answered Major General H. R. Harmon's recent appeal for 100,000 mechanically-minded men between 18-50 who would like to serve their country in a field in which they are experienced. By a recent order men of 1-B draft classification are also eligible for this branch of the Service, Major Royder said.

Robert Masopust is Promoted to Rank of Staff Sergeant

Perrin Field, October 12.—Robert E. Masopust of Cameron was in the first group of enlisted men to be promoted in the 1050th School Squadron, which was organized only last week at the Army Air Forces basic flying field here. He was advanced to staff sergeant.

As a line crew chief, Sergeant Masopust is entrusted with the responsibility of keeping basic training planes in safe operating condition at all times. The Army Air Force now is conducting an intensive campaign to enlist men qualified to do ground

Mr. and Mrs. Leo Wilkerson and daughters, Misses Zora Clark and Leola Wilkerson of Austin, spent Friday here and attended the funeral of his brother, Perry Wilkerson who died Thursday, October 8th.

W. J. Galbreath of Houston was in Cameron Monday on official business.

CAMERON GETS IN THE SCRAP FOR WAR PLANTS

Cameron co-operated almost 100 per cent Monday in the Scrap Drive when business houses closed at 2 p. m. and remained closed until 6 p. m.

Joining the citizens were the school children, already rated the best division of home patriots in the war effort.

No figures are available showing the amount of scrap gathered during the afternoon but indications are the amount will be large and when added to the totals already obtained it will be shown that the city has done a magnificant job.

S. E. Brogdon, county chairman, was out of the city Tuesday and could not be reached for a statement. Mayor Leland Green had not made a check up as yet on the drive which the city some time ago had inaugurated.

Lack of information on the progress of the drive has hindered the work to some extent as progress reports means encouragement.

It is desired that reports be made available to the press so the people may know how much progress they have made.

Lelan Hurry and Hank Henderson are leaving for Houston to join the Air Corps this morning.

Judge Gillis took the bench for Judge Dickens of Marlin Monday.

Judge Terry Dickens of Marlin was in Cameron on Monday.

Miss Mary Tepera of Maysfield is doing nicely after a tonsil operation.

C. P. WILKERSON DIES AT HOME LATE THURSDAY

C. P. Wilkerson, 59, died at his home in Cameron at 6:15 p. m. Thursday October 8, 1942.

He had been critically ill for the past month and in declining health for a long period of time.

Funeral services were to be held at 5 p. m. Friday, October 9, 1942, from the family residence by Rev. John C. Solomon, minister of the First Presbyterian Church, with interment in Oak Hill Cemetery.

Mr. Wilkerson was a pioneer automobile dealer and garage man here. Associated with his brother Leo Wilkerson, now of Austin, in business they operated a profitable and large agency here for years and continued in business until about 5 years ago when they dissolved the business.

Leo Wilkeron moved to Austin and C. P. Wilkerson remained in Cameron where he continued his activities until his health failed. Mrs. Wilkerson, the former Miss Nina Carlton, is employed at the office of Bill Alex Bonds, Tax Collector.

Surviving are a brother, Leo Wilkerson of Austin and one sister, Mrs. Leland McGinnis of Billings, Montana.

Pall bearers are: Hayden Lawrence, H. F. Smith, Jr., John B. Henderson, A. H. Baskin, Rush A. Thomas, Frank Monroe, Roy Law and J. L. Barmore. Two honorary pall bearers were named as follows: M. G. Cox and Jeff T. Kemp.

Miss Era Mae Foster, formerly employed by the Dusek Pharmacy now has a position in the office of Camp-Baskin, Insurance.

CONGRATULATIONS ....
On the Formal Opening of
NEWTON MEMORIAL HOSPITAL

This modern hospital will provide the best in service to the people and as a memorial approaches the highest conception of service to mankind.

We congratulate those who made possible this development in Cameron and Milam County.

McClellan, Brown, McClellan
CONTRACTORS. WACO, TEXAS

THE FORMAL OPENING OF ....
NEWTON MEMORIAL HOSPITAL

In Cameron Saturday and Sunday, October 17 and 18 between the hours of 2 p. m. and 5 p. m. each day, marks the beginning of a worthy conception of service in modern hospitalization for the people.

We congratulate the Founders of this Hospital and all those who have had a part in its building.

As a memorial this hospital translates into practical being the ideals of those whose lives were long ago dedicated to the service of humanity and is a worthy expression of those who come after.

Newton Memorial Hospital represents the best in modern Hospital service.

CROWDED WITH THE CALLS OF WAR

It's true we usually can put through quickly your long distance telephone calls to towns near-by. But when you send your voice to far cities, it may travel on lines jammed to the limit with calls that help move troops, make planes, build tanks.

We can't put up more lines, because most of the metal has gone to war. So please help us in a vital job. Make as few calls as possible to war centers or cities far away, and please plan to keep such calls short. It will help clear the way for the calls of war.

From where I sit ...

by Joe Marsh

DON'T ever argue with Grandma Hoskins about American history unless you know what you're talking about. Because when Grandma states a fact, it really is a fact.

The other day we got to talking about George Washington — who besides being a great general, was a public surveyor, a successful farmer, and a wise statesman.

"And he made mighty good beer, too," says Grandma.

That was news to most of us.

"You can see his private recipe for beer right in the New York Public Library," Grandma Hoskins tells us. "In his own handwriting, at that."

* * *

And then she opened up on how Washington and those others who founded America believed in beer and moderation. Told us about William Penn who had his own brewery down in Pennsylvania, and Israel Putnam ... Samuel Adams of Massachusetts and James Oglethorpe of Georgia.

"Beer," Grandma goes on, "has grown up with the country because it's a symbol of good fellowship and moderation."

Way back in 1789, she told us, James Madison stood up in the House of Representatives and made the motion urging "the manufacture of beer in every State of the Union." And that same year Massachusetts passed an act stating that "the wholesome qualities of malt liquors greatly recommend them to general use."

* * *

From there on — until early in 1918, the brewing industry kept growing and beer and ale kept getting better and better.

Then came prohibition ... thirteen dark years that bred vice and crime. Grandma says it taught us something though — something that George Washington and all those other early American statesmen knew all along ... that no law ever takes the place of self-restraint and moderation.

* * *

That's why they were friends of beer and made moderation a cornerstone of American freedom. They were right about a lot of things — Washington and Adams and Penn. And from where I sit, they certainly were right about moderation, too.

TONIGHT, the American flag floats from yonder hill or Molly Stark sleeps a widow!
General John Stark

General Stark spoke these words to encourage his men just before he led the charge against the Hessian mercenary troops entrenched near Bennington, N. Y., in August, 1777. His maneuver proved a brilliant victory which thwarted Burgoyne's campaign to separate New England from the other colonies.

NEWS FROM MINERVA

Mrs. Eddie Bryant and daughter, Eddie Berniece, are visiting in Randlett, Oklahoma, as guests of her mother, Mrs. Pirtle.

Mrs. Edna Oram returned to her home in Houston Monday, after a three weeks visit with Rev. S. B. Smith.

Mrs. Dudley Currey had as a guest Friday night her sister, Mrs. Bertha Smith of Thorndale.

Miss Louise Edwards of Houston and Harry Edwards of New Orleans spent Sunday with their aunt, Miss Mattie Edwards.

Mrs. Leslie Tuel and son, Rex of Conroe visited her sister, Mrs. Eddie Bryant on Wednesday and Thursday of last week.

Miss Mabel Jones is visiting her brother and sister in law, Mr. and Mrs. Proctor Jones.

Mrs. Leonard Cone and daughter, Miss Leo, left Monday morning for Houston for a two weeks visit with Mr. and Mrs Clyde Cone, who are the proud parents of son, Clyde, Jr.

Mr. and Mrs. C. W. Trotter and Mr. and Mrs. D. F. Robinson have received news of a new grand daughter, Carolyn Sue, born to Mr. and Mrs. Carlton Trotter on Thursday of last weew.

Tom Robinson left Friday for San Antonio where he will be inducted as a private in the U. S. Army.

CARD OF THANKS

We wish to express our sincere appreciation for the kind words and deeds of friends and neighbors who assisted us in any way in our hour of saddness during hours of illness and death of our beloved son and brother, Arvin Tomasek.

We also thank those who sent floral offerings.

Mr. and Mrs. Anton Tomasek
Brothers and Sisters.

Taylor Ducks Beat Belton to Become Conference Favorites

The Taylor Ducks, four times winners of the Confernece Title are again on their way. They defeated Belton Tigers Friday night 18 to 0 in a scoring bee that set off their backfield led by Seale and Jirosek.

Belton failed to give the Ducks any appreciable competition and never threatened.

While the Ducks were beating the Tigers, the Killeen Kangaroos defeated Rockdale 43 to 0 and Rosebud trounced Marlin 14 to 0.

THE STATE OF TEXAS

TO: Benito Pina—Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of October, A. D., 1942, at or before 10 o'clock a. m., before the Honorable District Court of Milam County, at the Court House in Cameron, Texas.

Said plaintiff's petition was filed on the 18th day of August, 1942.

The file number of said suit being No. 12083.

The names of the parties in said suit are: Isabela Pina, as plaintiff, and Benito Pina, as defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues defendant for divorce alleging, as ground therefor, that defendant was guilty of cruel and excesses treatment of plaintiff rendering their further living together as husband and wife insupportable.

Issued this the 8th day of September, 1942.

Given under my hand and seal of said Court, at office in Cameron, Texas, this the 8 day of September A. D., 1942.

W. C. (Nig) MOODY,
Clerk, District Court, Milam County.

B. F. Angell of Brazoria visited relatives in Maysfield and Ben Arnold over the week end.

Albert Schlemmer of Belmena is ill in the hospital due to an operation.

Albert Schlemmer and son Wallace of Freeport are home for a shot time. Mr. Schlemmer is ill.

Mrs. Mary Houston and Effie Thomas teachers of Yarrellton made a business trip to Cameron Saturday.

VOLUME NUMBER 83. | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, OCTOBER 15, 1942. | SIXTEEN PAGES TODAY | NUMBER 27

MAYOR GREEN SEEKS TO SAVE FOOD STAMPS

Mayor Leland Green Friday confered with officials from the Agricultural Marketing Administration relative to a resolution passed by the Chamber of Commerce asking the Commissioners' Court to abolish all money for direct relief except to the county farm.

Granville G. Weaver of Waco, representing the AMA and L Van Perkins of the Chamber of Commerce were in the conference also.

It was understood that the Commissioners' Court had been requested to give a hearing but no meeting had been called.

Mayor Green was striving to keep Food Stamp Deal in operation because of its benefits to aged people and said that some misunderstanding has arisen over the relief set up

It was poitned out that the merchants of Milam county, the Commissioners' Court and the Chamber of Commerce, spent months to bring the Food Stamp Deal to Milam county because of its benefits to the aged people, to workers and to the merchants. Mayor Green shared the opinion of the merchants that to abolilsh the Food Stamp Deal would mean a severe loss to business and deprive many aged people of the benefits.

Another conference is scheduled to be held soon with the view of opposing the stoppage of the contributions.

It was pointed out that if there are any cases not deserving it is the fault of administration and should be corrected. On the whole and by large percentage benefits under the relief ets and those who cannot adaquately ets and those who cannot adaquately provide for themselves.

Sheriff Valter White and Deputy LeRoy Massengale attended the Peace Officers Convention in Brenham recently.

Mrs. L. C. Angell and son Benny of Houston are visiting in the home of Mr. and Mrs. C. F. Angell this week end.

Robert Dakel of Cameron will leave for the Army Monday. He is employed at Henry Lippman's dry goods store.

Congratulations to:

OH FREEDOM . . . thine enemy never sleeps.

William Cullen Bryant

* * *

Journalist, poet and scholar, Bryant put into poetry the thought that eternal vigilance is the price of liberty. The lines following the above quotation read: "And thou must watch and combat till the day of the new heaven and earth."

Cameron Homes Are Urged to Entertain Visiting Soldiers

The local USO committee urges Cameron citizens to entertain visiting soldiers in their homes, when these men visit Cameron on week ends.

When these men first began visiting Cameron many of them were invited to Cameron homes, but very few of the men coming to Cameron now are taken into homes. New men are coming to visit and they enjoy a visit in your home more than any kind of entertainment.

Lets not forget these boys and do all we can for them to make their short stay here more enjoyable.

This week end we will have approximately 150 men from Camp Hood, many of them who have never been to Cameron before. Go to the USO Club or call 603 and arrange to entertain a couple of them.

Killeen Defeats Rockdale 32 to 6

The Killeen Kangaroos although losing their unscored on reacord for the season, they defeated the Rockdale Tigers 32 to 6 Friday night on the field at Killeen.

The lone Rockdale touchdown that broke the unscored on record came in the last few minutes of play when Krause took a long pass on the 4 yard line.

The Kangaroos flashing a new backfield this year, sparked by Gayle Tolliver, best quarterback in the conference, scored two touchdowns in the first quarter, one in the second and two in the fourth.

Condor who was on the Kangaroo team last year is a star again and with him Baker and Duncan.

Killeen made 16 first downs and Rockdale made 2.

The second session of the September term of the grand jury convened this morning at 9:00 o'clock.

Mr. and Mrs. T. N. Wood of San Gabriel were visitors in Cameron Saturday.

SCHOOL CLASSES GET 10 TONS OF METAL

Approximately 20,000 pounds of scrap metal, or ten tons were reported collected by four major classes in the high school here at noon Friday.

Figures made from weights this morning are as follows:

Senior Class 9575
Sophomore Class 5901
Junior Class 2694
Freshman Class 1385

There was little doubt that the members of these classes would make a good and thorough job of the scrap campaign. The work is to continue. The campaign will end Monday, Oct. 12th, when the business houses are asked to close from 3 p. m. to 6 p. m.

Mrs. Anton Zalmanek and Mrs. Joe Adamek of Caldwell and Mrs. Henry Adamek of Houston visited with Mrs. Joe Orsak several days last week.

Mr. and Mrs. Henry Boedeker of Taylor spent the week end in Cameron.

Thos. Raymond Made Business Mgr. Newton Memorial Hospital

Thomas Raymond, widely known Cameron young business man, has been made business manager of the Newton Memorial Hospital by the Board of Directors and has taken over the duties of this post.

Mr. Raymond, for years was associated with the R. L. Batte Industries in Cameron and is experienced in clerical and adminstrative detail.

As business manager for the Newton Memorial Hospital he will have exclusive supervision of admissions and dismissals at the hopital.

The Board of Directors have entrusted the business management of the hospital to Mr. Raymond and they feel he is well qualified and will be successful in every way.

A week's revival meeting opens tonight, Octber 12, at the Moravian church of Buckholts where Rev. H. E. Beseda of Caldwell will preach. Rev. F. J. Kostohryz of Temple will preach one night, Tuesday Oct. 13. Everyone is welcome.

CONGRATULATIONS . . . . .

NEWTON MEMORIAL HOSPITAL

Formally open to the Public on Saturday and Sunday, October 17 and 18 from 2 p. m. to 5 p. m.

The founding of this institution is a modern step forward in proving hospital service for the people.

Community Pbulic Service Company

CONGRATULATIONS TO THE . . . .

NEWTON MEMORIAL HOSPITAL

on its Founding and Formal Opening to the Public in Cameron Saturday and Sunday, October 17 and 18.

The Hospital and the Charter making it possible are fitting tributes to the life and work of the late Dr. W. R. Newton, Sr.

All Milam County and Central Texas will appreciate these new, modern hospital facilities.

Herald

L. J. STOREY DIES IN CALIFORNIA HOME

J. L. Storey, 58, died at his home in El Central, Calif., at noon Friday, October 9, 1942.

Mr. Storey suffered a heart attack shortly before his death and his critical illness was announced here Thursday afternoon in a telegram to his brother, T. J. Storey.

It was not known at noon Saturday when the funeral will be held or whether the body will be returned to his old home at Cameron. T. J. Storey here said he was awaiting information.

L. J. Storey was born and reared in Milam county. He had been a resident of El Central, Calif., for the past 15 years. He was engaged in highway construction work and his brother here is also engaged in highway construction work.

The only other surviving member of his family is Mrs. Newton McCown, a sister, in Houston.

Surviving are his widow and four children, Lois, Louise, Frank and Milton, all of El Central.

Many friends in Cameron were sincerely grieved to learn of his death.

Mr. and Mrs. W. T. Wilson of Mobile, Alabama, visited in the home of Mr. and Mrs. Logan McWilliams the past week. Mrs. Wilson was Hilda Biskup before marriage.

Mrs. Beulah Burns of Austin visited relatives over the week end.

Mrs. Fannie Tuttle returned from Austin where she has been visiting.

STORES TO RE-OPEN HERE AT 6 P. M.

Cameron, lagging in its War Bond Sales, was conscious of war effort responsibility Monday and all stores in the city were closed from 2 p. m. to 6 p. m.

Some of the business houses were closed at noon and some did not re-open but all of the business firms whose custom it is to remain open were to re-open at 6 p. m. Food stores were to re-open.

In many business houses all scrap metal possible to spare was being assembled. Many business men went to the country while others helped in the city canvas for scrap metal.

Officially the day will end the scrap drive in Cameron but there was evidence the work would continue in the county.

Hiway Patrolman Hatchel kept his regular engagement today. He wishes for all to know that all drivers licenses issued before October 1, 1941, can now be renewed. But if they are not renewed before the last day of this month, the onwers must take a test.

Tom Linam of Maysfield was a Cameron visitor Monday.

THE people's government, made for the people, made by the people, and answerable to the people.

Daniel Webster

* * *

Webster, counted as America's foremost orator, spoke these powerful words in his historic plea for a united nation before the U. S. Senate in 1830.

SPORTS

HOW IT LOOKS FROM HERE

The football race in District 31a is going true to form with Taylor and Killeen taking the lead.

Last week Taylor handed Belton an 18-0 shellacking. Killeen defeated Rockdale 32 to 6 while Georgetown was letting Cameron off with 13 to 6 shellacking. Rosebud journed over to Marlin to hand them a 14 to 0 defeat.

Next week the victorious Taylor Ducks will meet the Rockdale Tigers in what should be a pushover for Taylor. Killeen and Belton will be the star game of the district with Killeen slightly a favorite. The winner of this game should be in second place in the district at the end of the season. Georgetown and Rosebud will meet with the odds slighty favoring Georgetown. Cameron meets Hearne on the home field with Hearne looking like a sure thing.

Conference standings in District 31a:

Taylor	2	0	0
Killeen	2	0	0
Cameron	1	1	0
Georgetown	1	1	0
Belton	0	1	0
Rosebud	0	1	0
Rockdale	0	2	0

Wishing to Aid the Scrap Drive Brings In Father's Spare Tire

The enthusiasm of a Minerva colored school child for the scrap drive almost cost her father a spare tire Tuesday.

She is Mary Lee Dickey. She wanted to aid the government and took her step father's spare tire and brought it to school. The father, L. F. Swain, lost no time in getting to the school when he missed the tire. J. L. Burks, teacher at the school reported the incident and said the father brought in an old tire to contribute in the place of the one brought by the girl.

ROOSEVELT TO SPEAK AT 9 P. M. TONIGHT

President Roosevelt will deliver an address to the nation at 9 p. m. Central War time tonight.

In Washington at noon it was said the President would discuss man power. It was believed that he may say something worthwhile to the war effort. Mal-distribution of man power is sapping the war effort.

Shortage of agricultural labor has greatly reduced farming operations. Men over military age and not in productive employment should be put to work in war plants to release young men for war duty.

Frank Angell of Splawn transacted business in Cameron Monday.

ATTENTION!

Now is the proper time to have your cut-off and hot water pipe drains worked loose and put into good working order.

A severe freeze this winter will put us all "on the spot."

ARMY-NAVY RULES FOR SHIPPING GIFTS TO BOYS IN THE SERVICE

1. Weight of package—up to 11 pounds. But for overseas gifts and gifts to Alaska, the Post Office requests packages limited to 6 pounds.

2. Size of package—up to 18 inches long or 42 inches in length and girth combined. For overeas, the Post Office recommends shoe box size.

3. Packing material—strong corrugated or wooden box. Do not seal, as packages must be opened by censors.

4. Prohibited—perishables, food, intoxicants, inflamables (matches, lighting fluids,) poisons. For overseas, clothing is also prohibited. Candy may be shipped overseas if double-packed.

5. Addressing — give recipient's full name, rank, army serial number, branch of service, organization, last known post office address—and your return address.

To Navy men or marines, the address should include the recipient's name, rank, or rating, the naval unit or ship to which he is assigned and either the New York or San Francisco post office through which the package is to be routed. But do not reveal the location of the ship!

For overseas, mark package: "Christmas Parcel."

W. J. Galbreath of Houston, a former resident here was a Cameron visitor Monday.

Mrs. F. J. Beckerman has returned home from a visit with her daughter, Mrs. Sam Porter of Beaumont.

Richard Williams attended the Texas Tech ball game at College Station Saturday.

Judge J. W. Garner of Rockdale was a business guest in Cameron Monday.

Missing In Philippines

ALBERT F. SCHATTEL

Albert F. Schattel, son of Mrs. Wm. Schattel at St. Monica's Parish home in Cameron, is missing in action from the battle of Corregidor Island in the Philippines and relatives have had no word from him in several months.

While no information has come through from the War Department indictating that Schattel is a prisoner and in a Japanese concentration camp, it is hoped here he may yet be found alive.

Schattel enlisted 5 years ago and was in San Antonio in 1939. He served his enlistment period and came back to his home in 1941, but re-enlisted and was sent to the west coast, stationed in California. He was sent to the service of the air transport squadrons at McClelland Field in California. From this point it is presumed he went over to the Philippines. He was stationed also at Camp Hamilton, California.

Before the outbreak of war he was in Pearl Harbor in the Hawaiian Islands and was there when the Japs struck on the morning of December 7, 1942.

He was born at East Benard. News of him was brought to the Herald by Father George Duda of St. Monica's church in Cameron.

He has eight sisters, one of whom is in a Convent and five brothers.

Schattel was in the Philippines two years before the war came. He went back after war was declared. The last word received from him was in March 1942.

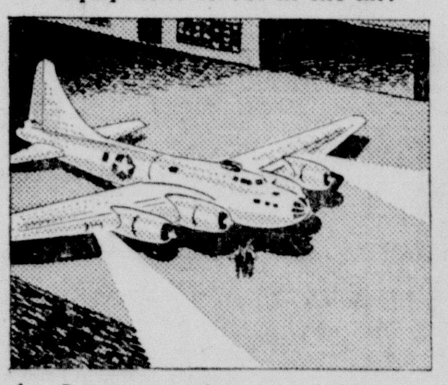
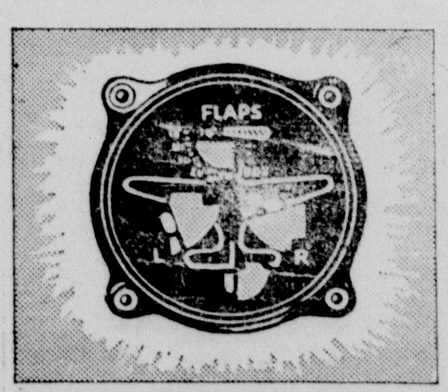
Wings of Victory

Electricity helps make America's war planes some of the world's most deadly weapons. Here are a few of the ways in which G-E equipment serves in the air.

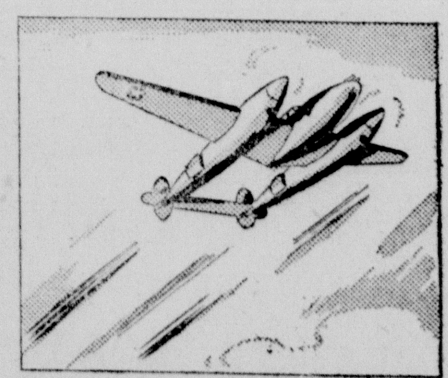


1. Lamps are the eyes of the plane at night, ranging in size from cockpit lamps no larger than a pea to landing lamps of more than half-a-million candlepower.

2. Radio combines the voice and the ears of the plane, allowing communication between the pilot and his squadron, and the ground and sea forces.



3. Instruments are the sensitive brain that relays messages to the pilot from all parts of the ship and helps him to control the plane in its flight.



4. Superchargers are the lungs of the plane, pumping extra oxygen to the carburetors, giving our planes the altitude so necessary to modern warfare.

General Electric believes that its first duty as a good citizen is to be a good soldier.

In Medical Corps

STAFF. SGT. BERT COSBY

Staff Sgt. Bert Cosby, is in Cameron on a furlough before returning to his assignment in the army at Camp Shelton, Miss.

Sgt. Cosby volunteered for the army and has been in service for the past two and a half years. He is only 19 years old.

When he returns to his command he will go to Camp Claiborn, La., where a new Medical Corps unit is being formed and he will be attached to the 328th Medical Battalion.

Sgt. Cosby graduated from Yoe High and was a Yoemen football star. His brother, Billy Cosby is a full back on the Yoemen team this year.

FOOD STAMP DEAL IN COUNTY NOT THREATENED

The Food Stamp Deal brought to Milam county, after long weeks of negotiation, will not be disturbed by the resolution passed by the Chamber of Commerce, said Mayor Leland Green Tuesday.

L. Van Perkins, manager of the Chamber of Commerce, said that there has never been any intention to disturb the food stamp set up. The resolution passed by the Chamber of Commerce, although not so designated, may have been directed at some on the rolls who should be at work.

This objection could be taken care of by proper investigation. Labor shortage here may have caused the introduction of the resolution but it is said that the labor supply is not affected by the relief rolls.

The benefits of the Food Stamp Deal go now almost entirely to aged people. PWA and WPA work has been discontinued almost altogether.

The Commissioners' Court was not expected to take any action. It was generally agreed that outside the poor farm and the food stamp deal little is being paid out for relief.

SCHOOL CHILDREN OF COUNTY GET IN SCRAP

While no figures are available on the amount of scrap collected in Milam county, it is certain the amount will be large.

Indications are that rural schools with the Texas Ranger campaign has gone over with a bang and the children with the help of teachers are doing a fine job.

Homer Garrison, head of the Public Saftey Department, last week made Texas Rangers out of school children for the drive.

Chas. M. Hicks, County Superintendent, has had many fine reports from over the county and here is one from the Friendship School:

The scrap drive in Friendship school is advancing rapidly. Every pupil is a full fledged Texas Ranger. The Friendship division of the Junior Army are now engaged in a major campaign for Victory and they have won the room awards and also the school award for their valor and industry in action.

The total number of pounds of scrap collected this week is 5776. The Army is pressing onward and expects to conquer new territory next week.

Your respectfully,
Major Sarah Shelton.
Capt. Luene Gersbach.

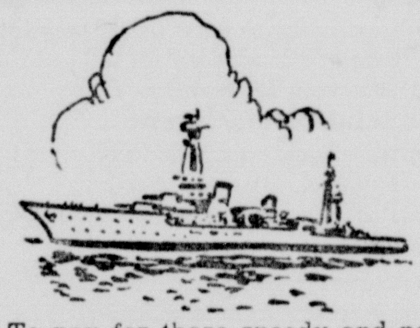
What You Buy With WAR BONDS

Navy Cruisers are built in two classes, light and heavy, the latter displacing about 10,000 tons. Our navy has about an equal number of light and heavy Cruisers, the 10,000 ton Cruiser costing approximately $20,000,000. Many Cruisers are under construction and many more are needed.



To pay for these speedy and powerful ships with their heavy guns and armament we must buy War Bonds. Citizens of a large town or a given community, working in unity, could buy one of these ships for the Navy if they put at least ten percent of their income in War Bonds every pay day.

NATIONAL WOMEN'S WEEK IS PROCLAIMED

National Business Women's Week is being observed from October 11 to October 17th.

In Cameron the Business & Professional Women's Club has joined in the observance. President Roosevelt has asked the organizations to dedicate the week for mobilization of women in war work.

Governor Coke R. Stevenson has issued a proclamation also. Mayor Leland Green has issued the following proclamation:

To All to Whom These Presents Shall Come:

WHEREAS, Business and Professional Women throughout the country will observe the anniversary of National Business Women's Week this October; and

WHEREAS, it is appropriate, and just, to commend business women for the manner in which they are daily assuming the inreased duties and responsibilities caused by the lack of man power at our home and at the front; and

WHEREAS, the business women should be encouraged and urged to continue in their efforts to the end that through the united services of men and women the problems of Democracy may be solved; and

WHEREAS, the Business & Porfessional Women's Clubs throughout the nation have adopted for their study and action this year the theme "Women's Work in the War," and are striving to make valuable contributions to our Country's effort for Victory.

NOW, THEREFORE, I, Leland Green, Mayor of Cameron, Texas, hereby proclaim the week of October 11-17, A. D. 1942, as Business Women's Week in Cameron.

IN TESTIMONY WHEREOF, I have hereunto signed my name officially and caused the seal of the City of Cameron to be affixed hereunto at Cameron, this the 1th day of October, 1942.

(Signed) LELAND GREEN,
Mayor, Cameron, Texas

Betty Gene Shipp Is Band Sweetheart With 20,000 Votes

Betty Gene Shipp was elected band sweetheart by a popular vote here and will lead the band for the year. She received 20,000 votes and Carolyn Brock was second with 19,005 votes.

The following is the order in which the tabulations were made at the close of the contest:

Betty Gene Shipp	20,000
Carolyn Brock	19,005
Jerry Chambers	13,375
Eleanor Clore	10,025
Aline Hollas	3,775

Mrs. Eber Flinn said Friday morning the contest was the most interesting and profitable one held in years. The funds from the contest will go to the band fund. A total of $132.26 was raised during the 10 day period.

The band sweetheart contest is an annual event in Cameron and is looked forward to by the people with keen interest each year.

Copl. Conrad Kolodejcak of Fort Sam Houston, is home on a 10 day furlough. He has been in service two years and still likes it fine. His furlough is an emergency because of his mother being very ill.

Granville G. Weaver, representative of the Marketing Association of Waco was in Cameron Friday working on a milk program for schools.

Patriotic Quotes

Sweet land of Liberty of thee I sing

1858 — 1919

I WANT to see you shoot the way you shout.

Theodore Roosevelt

* * *

Roosevelt appeared before a cheering throng at Madison Square Garden during a National Defense meeting in October, 1917, and bluntly reminded them that straight shooting was as important as loud shouting.

FUNERAL SERVICES FOR ARVIN TOMASEK

Arvin Tomasek, son of Mr. and Mrs. Anton Tomasek passed away at his home Monday afternoon September 28, 1942, at about 4:00 o'clock.

He had been in declining health for about 7 months. He spent 3 weeks in the Cameron Hospital and 3 weeks in the Kings Daughter Hospital in Temple. The rest of his days, while he was ill were spent in bed at home. Arvin's death was unexpected and a great shock to his beloved ones. His death was due to weak heart and heart failure was the result.

Arvin was born and reared in the Ad Hall community. He was born on December 28, 1821, and at the time of his death was only 20 years old. He did not live to reach his 21st birthday this coming December.

Arvin was a quiet industrious boy who had a great love for farming. While sick he always talked about the time he would be well and could farm again.

Arvin had many friends and was loved by all those who knew him.

He leaves 5 brothers and 4 sisters and his parents. They are as follow: Frank Tomasek of Ad Hall, Louis Tomasek of Elmaton, Pvt. Hubert Tomasek who is in Armed service in Denver, Colorado; Pvt. Albert Tomasek who also is in the Armed forces in San Luis, Obispa, Calif.; Emil Tomasek of Ad Hall, Mrs. Matilda Havlik of Cameron, Mrs. Minnie Vybiral of Cameron, Mrs. Angelina Baluseк of Elmaton, Mrs. Rosie Svetlik of Bay City, and his parents Mr. and Mrs. Anton Tomasek of Ad Hall.

Mrs. J. B. Wolf Now 97, Observing Her Birthday Saturday

Mrs. J. B. Wolf observed her 97th birthday, Saturday, October 10th, 1942, at her home, where many friends called to wish her happy returns of the day.

Mrs. Wolf was born at White River, Ark., and came to Texas with her late husband and settled with her family at Davilla, Milam County, and after living there for a few years, they moved to Cameron 60 years ago, and have made their home on the same site, building a large colonial home here many years ago, where she is quietly spending her days with two of her children who make their home with her and are lovingly looking after her, Miss Nell Wolf and son, Wyatt Wolf. Two other sons are living, John O. Wolf of Lawton, Okla., and Penn Wolf of Cameron, who for many years was District Clerk for Milam county. Her late husband was Sheriff of Milam county for many years and later was Tax Assessor for severl years.

Mrs. Wolf was the Miss Agnes Adams before her marriage, and is from a prominent family in Arkansas. She is remembered by many friends for her fine poems written through the years. Up to a few years ago she could be seen most any day working her flower beds in the large yard that was noted for its flowers and shrubs.

Many friends called to see her on this day and wish for her happy returns of the day, with health and happiness as the days go by.

RECRUITING PARTY

A naval recruiting party will be in Cameron Tuesday, October 13th. Qualified men between the ages of 17 and 50 are eligible for enlistment.

Mrs. Vina White of Maysfield made a business trip to Cameron Saturday.

New Scrap Total Here Shows School Children on Job

New totals taken Friday and announced from the office of the Superintendent disclose that a grand total of 32,083 pounds of scrap collected by four major classes in the high school and the Ada Henderson school on which no previous report has been received.

Indications are additional reports will be made as competition between the Senior and Sophomore classes is very keen.

Here is the list of collections:

Senior Class	10,129
Sophomore Class	7,903
Junior Class	2,737
Freshman Class	1,519
Ada Henderson School	9,795
Total	32,083

Mrs. Owen Gersbach a teacher of Friendship school transacted business in the County Seperintendent's office Saturday.

crew work similiar to that performed by Sergeant Masopust.

Mr. and Mrs. G. C. McCullum and daughter, Lerlene, of La Porte visited in the home of her parents, Mr. and Mrs. Judd G. Davis over the week end and also in the home of Misses Julia and May Marshall.

Mr. and Mrs. A. D. Brown and son David Wayne and Mr. and Mrs. Hal Armstead and daughter Diana of Houston visited relatives over the week end in Maysfield.

That Extra Something!

...You can spot it every time

YOUTH, in everything it does, goes for the people and things that are "right". That's why youth goes for ice-cold Coca-Cola. It is "right"... in quality... in taste ...and in refreshment. It's the drink that belongs to youth's ritual of refreshment.

And there's reason for this. Ice-cold Coca-Cola has what it takes... a clean fresh taste... unmistakable refreshment. A special blend of flavor-essences merges all the wholesome ingredients of Coca-Cola into an original taste of its own. No one can duplicate it. The only thing like Coca-Cola is Coca-Cola itself.

Just ask for Coca-Cola or, to use its friendly abbreviation, Coke, and you're in for something special in delicious refreshment. Contentment comes when you connect with a Coke.

* * *

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called Coke. Coca-Cola and Coke mean the same thing... *the real thing*... "coming from a single source, and well known to the community".

The custom in every neighborhood... to enjoy delicious ice-cold Coca-Cola... though not as often in wartime as before. And remember when you sometimes can't get Coca-Cola, it's because Coke, being first choice, sells out first.

MEN HELPLESS AGAINST THE EAGLES

listless Yoemen team that got break in football and couldn't in, came away from Eagle Field eorgetown Friday night a badly n and humiliated squad.

e game will go down in history omething of a Believe it or Not st. Cameron had the ball 80 per of the time, punted only once, bed fumbles on the Eagle goal four times, yet could not win the game. The big error came when back Black of the Eagles Squad-fastest thing on wings, got the twice. One time he passed to atrick who was all alone, with the nen goal only 10 yards away. next time he raced 65 yards for uchdown and that was about all game.

e Yoemen, tired and bewildered, atened in the last minute but that all. Torno passed to Michalka 50 yards and then on the next line only 10 yards away and no- a pass was dropped with the to interfere.

rank Torno who has had his way ty much in the games prior to the le game, was just another ball er. The Eagle line, led by two he best ends in the conference, ey and Moore, smacked down the neron ace everytime he got the , with few exceptions, and that many times for Torno carried in y play except 3. So dazzling was Eagle line play that the Yoemen er got a chance to work any of r plays, though Torno went over the lone Cameron touchdown in second quarter from the Eagle 4 d line after the Yoemen had re- ered a fumble.

Black, weighing 112 pounds, kept the Yoemen in a jitter all night. He was just a grey ghost in the grass and here is and there he wasn't and many Yoemen hit the dirt empty handed.

Blasting of Bridge Over Brazos Simulate Actual Battle Scene

How United States Engineer troops will demolish bridges in actual war, will be demonstrated in Milam county on Tuesday October 20th at 2 p. m.

The occasion will be the blowing up of the old Wildcat Bridge on the Brazos near Branchville.

Judge Jeff T. Kemp has received a letter from Col F. K. Newcomer of the Corps Engineers, Third Army at San Antonio, stating that the engineers will blow up this bridge on the above date.

The Bridge is one of two spanning the Brazos to be demolished. All war tactics will be observed and the demolition will give training to the engineers and enlisted men.

Urgent Red Cross Meeting at 7:30 This Evening

Dr. James Watson, Chairman of the Milam County Red Cross Chapter, has called a meeting of the chapter for 7:30 this evening at the Chamber of Commerce.

Dr. Watson requested the Herald to call attention to the importance of this meeting. He said it was scheduled unexpectedly and is very important.. All Red Cross officials and workers should be at the Chamber of Commerce tonight at 7:30 for the meeting.

Telephone 282 your news items.

U. S. FORTRESSES ARE OVER CHANNEL TODAY

A major bombing attack on occupied France and Germany was under way Friday as hundreds of American bomber planes with escort ships winged their way over the English Channel to drop tons of bombs on factories in France and to tear at military objectives in Germany.

Teaming up with the Americans were RAF fighter and bomber craft to make the air assault the largest daylight operation of all time.

After noon Friday it was said the battle was still in progress. Some of the American planes were seen returning to their English bases, indicating their mission had been carried out.

The great mass of attacing planes roared over in large formations. Leading the attack were the American Flying Fortress 4 motored bombers.

The attack, carried out in day light, came within 24 hours after the American flight command warned French people and workers to move out of factory areas in France.

Adolph Hitler Friday denied he had abandoned plans to take Stalingrad and if reports can be relied upon new tank and infantry forces are being hurled into the battle.

The Japs were being pounded in the Aleutian Islands by the Americans. The United States Navy Department announced the loss of a coast guard cutter in the Atlantic, long overdue.

Chamber of Commerce Asks Contributions To Relief Be Stopped

The Chamber of Commerce has passed a resolution asking the Commissioners Court to abolish all contributions to direct relief except to the people at the county poor farm, it was disclosed here Saturday following a meeting in which Mayor Leland Green sought to protect the stamp deal for Milam county.

The resolution reads as follows: "The Cameron Chamber of Commerce requests the Commissioners' Court of Milam County, to abolish all contributions to direct relief by Milam County, except contributions to the Milam County Poor Farm.'

If the Commissioners' Court acts in accordance with the resolution, which was not anticipated, it would serve to abolish the Food Stamp Deal and its great benefits to aged people and to the merchants of the county.

Telephone the news to 282.

THE STATE OF TEXAS

TO: Benito Pina—Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of October, A. D., 1942, at or before 10 o'clock a. m., before the Honorable District Court of Milam County, at the Court House in Cameron, Texas.

Said plaintiff's petition was filed on the 18th day of August, 1942.

The file number of said suit being No. 12083.

The names of the parties in said suit are: Isabela Pina, as plaintiff, and Benito Pina, as defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues defendant for divorce alleging, as ground therefor, that defendant was guilty of cruel and excesses treatment of plaintiff rendering their further living together as husband and wife insupportable.

Issued this the 8th day of September, 1942.

Given under my hand and seal of said Court, at office in Cameron, Texas, this the 8 day of September A. D., 1942.

W. C. (Nig) MOODY,
Clerk, District Court, Milam County.

Mr. and Mrs. Beuford Harden and Mrs. L. L. Blaylock of Cameron visited in Austin recently.

All of the friends of James T. Sheumate will be glad to know that he has joined the Commando forces and after he completes his training he will go across to do his job.

Edna Erle Locklin visited home folks in Thorndale over the week end.

Mary Richter is spending the week end in Houston.

The Automotive Mechanic of Yesterday Is the VICTORY SERVICE MAN of Today

Help him to help you "SAVE THE WHEELS THAT SERVE AMERICA" *by getting a skilled service check-up regularly*

Take the word of millions: MORE PEOPLE GO TO CHEVROLET DEALERS FOR SERVICE *than to any other dealer organization*

Just how important the automotive mechanic's work is to the nation will be clear to all who consider the following facts*:

- Automobiles and trucks form the *sole practicable means of transportation* for war workers and war materials in many communities throughout America.
- In some sections, 78% to 100% of the workers drive by automobile to vital war plants.
- 2,314 U. S. cities, with a population of 12,524,000, depend on private cars for transportation; 54,000 communities depend entirely on motor vehicles.
- Six out of every ten farms use one car or more; 67% of farm car mileage is necessity driving.
- More than 65.2% of all war plants reporting in Michigan (a typical war production state) depend on trucks to haul their incoming and outgoing freight.
- Trucks haul nearly 100% of the milk supply of most large cities—and 58% of all livestock marketed in the U. S.
- Trucks are the sole transportation system serving our 54,000 communities not reached by railroads.

The automotive mechanic—*the trained Chevrolet Victory Service Man*—is the lifeguard of America's millions of cars and trucks. Help him to help you and America by getting a skilled service check-up at regular intervals.

*All statements based on reports compiled by the Michigan State Highway Department and the Statistical Department of A. M. A.

This institution is a significant step forward in providing better hospitalization for the people and a worthy tribute to those whose works have thus been perpetuated.

Newton Memorial Hospital insures a new and practical era of modern medical and surgical service to humanity in this section and its formal opening to the public Saturday and Sunday, October 17 and 18 will be a welcome development by all the people.

Camp-Baskin
INSURANCE FOR YOUR EVERY NEED

What You Buy With WAR BONDS

Tractors and motors will never wholly replace the Army Mule as a factor in the mobile units of our army. The Army Mule is a tradition and the "mule skinner" is a breed unto himself. Army Mules are used by the Field Artillery and the Cavalry in areas where the terrain is rough and tractors cannot operate.

Pack trains in mountainous sectors are often necessary and here the mule, slow but sure-footed, plays an important role. Our Army buys thousands of mules paying from $175 to $190 for each. The mule eats less, carries more, and some declare is smarter than the horse. Your purchase of War Bonds and Stamps helps pay for these Army Mules. Invest at least ten percent of your income in War Bonds every pay day. *U. S. Treasury Department*

Grand Jury after one day deliberation adjourned for the September term.

WASHINGTON

By CONGRESSMAN POAGE

On yesterday (Oct. 8th,) the House passed and sent to the Senate another of those staggering appropriation bills that have become so frequent since the outbreak of the war. Approximately two-thirds of the $6,236,956,621 carried in this bill is to be used to build 14,611 new and additional airplanes for the Navy. The Navy received funds for other construction including more than 2,00,000 tons of aircraft carriers, cruisers, destroyers, etc., but nothing for new battleships. I think that this is the first Naval appropriation of this magnitude that was passed by any nation in which the great bulk of the money was allocated for the air arms, and none to battleships.

While the House was appropriating money, the Senate has been considering and debating the tax program necessary to provide the money to meet these appropriations. The tax bill was passed by the House about three months ago. The Senate has materially amended the bill and will doubtless still further amend it before returning it to the House. It is impossible to know when it will be sent back to the House, but I am hopeful that it will be in time for the House Committee to study the Senate version, for the Conference Committee to agree on the compromise verison which must be written, and for both Houses to adopt the Conference Report so the bill can reach the President before November 3rd. I realize that this is almost an impossibility because the bill is as large as a good sized book, and the mere physical work of printing it in its various revised forms will take weeks. On the other hand, I feel that it would be most helpful to public morals if this bill could become law before the general election. As I see it, this has become especially important because of the misinformation that has been given out by many of the Washington reporters that Congress was afraid to act on the Tax bill until after the election. I do not think any such disposition exists. It simply takes a long time to work out a tax bill of this magnitude. It always has, and it always will. I think that most Members of Congress recognize that the people want action and that they realize that taxes must be far heavier than we have ever known. I believe that it is the commentators, and not the Members of Congress this time, who are overemphasizing the importance of the election. I realize that some of the Democratic leaders who come from doubtful states may be guilty of this attitude, but Iam sure it is not the attitude of most of the Texas Delegation.

Personally, I think that heavy taxation is necessary not only to raise money, but also to prevent inflation. Heavy and intelligent taxation will go a long way toward wiping out the exorbitant profits of industry, and at the same time it will effectively check the accumulation of a vast reservoir of new money in the hands of people who would seek to spend it for sonsumers' goods of which there is a shortage. If collected monthly or weekly, taxes can be a more effective break on spending power and therefore on inflation than any price control bill. If the rates are made steep eough, there will be no danger of excessive industrial profits, no matter what rate of profit is allowed. In short, I think we should use the taxing power more freely. By doing so, we could avoid the uncertainty of renegotiation of contracts and could remove one of the most powerful inflationary influences.

The question of man power for the war effort is, however, an even more dificult problem than the problem of finances. We must all recognize that we are faced with a serious shortage of man power. This shortage is most serious on our farms. It must be reckoned with, but little definite action can be taken until the military and naval authorities determine just what size Army they want. Of course, if we are to have 13,000,000 men in the Army, we would of necessity proceed along different lines than those that would be followed if our armed forces are to be limited to 6 or 8 million. In the final anaysis, the size of our Army will be determined by our ability to transport and supply it on distant fronts. There is no need to take men out of production to put them in an Army that we can place on the fighting fronts or that we can not supply if placed there.

With best wishes.

CHRISTIAN SCIENCE SERVICES

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 18.

The Golden Text is: "John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sins of the world" (John 1:29.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For other foundation can no man lay than that is laid, which is Jesus Christ" (I Cor. 3:11.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddie: "The supremacy of Spirit was the foundation on which Jesus built. His sublime summary points to the religion of Love" (page 138.)

CONGRATULATIONS ....

NEWTON MEMORIAL HOSPITAL

We welcome this opportunity to extend congratulations on the opening of the Newton Memorial Hospital.

Its founding brings new growth and greater hospital facilities to Cameron.

No greater memorial has yet been devised than an institution to serve humanity.

the home front

We hear much said about the HOME FRONT theee days. It is a vital front.

Never before has it been so necessary to preserve our resources. Buoing at home is support for Home Front.

Printer, Merchant, all. It is our plain duty.

The Herald

"Battle of Midway" Photographed Under Fire In Technicolor by Commander John Ford

"The Japanese Zero fighters roared in at you and you could see the flaming Red Sun on their fuselages. You drew in your breath sharply and held it.

"You could see their bombs drop and you could almost feel the concussion. The noise was like thunder and you thought each moment would be your last.

"Dense clouds of smoke from burning oil drifted across your dugout and then the Zero fighters boring in were lost to view. But you could hear them, and the explosion of bombs bursting nearby . . ."

So wrote a noted correspondent upon emerging from a special showing of "The Battle of Midway," the Navy Department film which was photographed under fire during the great naval battle. Slated to show at the Cameron Theatre Thursday and Friday, October 22 and 23, "The Battle of Midway" is unprecedented.

Commodore John Ford, U. S. N. R., the former distiguished Hollywood director who made "The Informer," "Grapes of Wrath," "How Green Was My Valley," and other motion picture epics, not only edited the film, but shot much of the footage while the battle was raging. He was, in fact, wounded by shrapnel early in the fighting as he perched atop a powerhouse, recording for posterity the most extraordinary on-the-scene account of actual battle ever released. A naval officer and an enlisted man took additional sea and air shots. Two others, on Midway Island, had their cameras blown out of their hands by the impact of the concussion from a stick of Japanese bombs.

This great Naval film is released by the War Activities Committee of the Motion Picture Industry. The commentary is spoken by Henry Fonda, Donald Crisp, Irving Pichel and Jane Darwell, and the film is being distributed by 20th Century-Fox.

Warning Issued by Brogdon Against the Selling of Scrap

S. E. Brogdon, chairman for the Milam County Scrap Drive, warned here Wednesday that it is a violation of Feberal law to sell scrap once it is collected or wherever it may be, citing a recent order freezing all such materials.

Mr. Brogdon said he had discovered some of the scrap was being sold from the pile at the school building and has called on the superintendent to stop sale.

Mr. Brogdon contacted Austin and says he will have a letter by Thursday outlining the regulations which prohibit the sale of any scrap except to authorized dealers.

A warning was issued by Mr. Brogdon Wednesday after he said he had discovered sales had been made.

BUSINESS WOMEN

All members of the Cameron Business & Professional Women's Club are urged to be present Thursday evening, October 15th at the club rooms at 8 o'clock. Miss Miriam Coleman, State Executive Secetary, will be present and will give a talk on the work and duties of the club members and activities during these war days. Members please notice the date and be on hand. Miss Coleman has visited our club before, and let all members come early.

Judge Kemp married J. P. Matthews and Edith Copeland of Gause Monday, October 12th.

THE STATE OF TEXAS

TO: Benito Pina—Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of October, A. D., 1942, at or before 10 o'clock a. m., before the Honorable District Court of Milam County, at the Court House in Cameron, Texas.

Said plaintiff's petition was filed on the 18th day of August, 1942.

The file number of said suit being No. 12083.

The names of the parties in said suit are: Isabela Pina, as plaintiff, and Benito Pina, as defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues defendant for divorce alleging, as ground therefor, that defendant was guilty of cruel and excesses treatment of plaintiff rendering their further living together as husband and wife insupportable.

Issued this the 8th day of September, 1942.

Given under my hand and seal of said Court, at office in Cameron, Texas, this the 8 day of September A. D., 1942.

W. C. (Nig) MOODY,
Clerk, District Court, Milam County,

Federal Officers Take Rockdale Man After Fight Over Rationing

Federal officers were reported here Wednesday to have placed George Andrews and son of Rockdale under arrest following an attempt to coerce a member of the Ration Board to sign an order approving a tire purchase.

It is alleged that Andrews sought to compel George Bredt, member of the board to sign the order and when Bredt refused, Andrews brought in his son and a fight followed.

Mayor E. A. Camp attempted to separate the men before officers arrived.

According to reports reaching the Herald officers placed Andrews under arrest but there was no confirmation on whether charges had been filed.

Mrs. Helen McLane was hostess to the Hoyte Home Demonstration on Wednesday afternoon. There were 11 members present. Miss Porter, County Home Demonstration Agent was present and spoke to the club on club work for another year. At the end of the meeting the hostess passed a plate with a defense stamp for each guest as refreshments. The meeting adjourned to meet next on October 28th, with Mrs. Monroe White of Hoyte.

Mr. and Mrs. Frank L. Adams of Jackson, Miss., are spending a much appreciated visit to Mrs. Adams brother and wife, Judge and Mrs. Jeff T. Kemp.

—what's going on—

SCHOOL CHILDREN MAY GET 50 TONS SCRAP

The most successful war effort in this community was practically a cinch Wednesday as the school children through the four major classes in high school and the Ada Henderson School reported a grand total of 91,000 pounds of scrap.

According to announcement from the office of the Superintendent, the total may reach 100,000 pounds, or fifty tons. This is the most successful campaign staged anywhere in Central Texas and the city may well be proud of the school and the pupils.

Here are the totals:

Senior Class	26,000
Ada Henderson School	25,000
Sophomore Class	19,000
Junior Class	14,000
Freshman Class	7,000
Total	91,000

Deep Test Well to Spud in Wednesday

A deep test well on the Milam county line east of Milano was due to spud in Wednesday.

The well will be drilled by the Shell Oil Company and on land purchased from H. H. Coffield of Rockdale.

The well is north of the Redbank well brought in two years ago as a producer south of Rockdale.

Mr. and Mrs. L. W. Kemp and their sons, Charles and Jeff of Houston visited in the home of Judge and Mrs. Jeff T. Kemp.

Telephone 282 your news items.

What You Buy With WAR BONDS

Gas masks which came into use in warfare for the first time when the Germans used poison and mustard gas in World War I, are much improved today over those used then. The Chemical Warfare Branch of the War Department issues these gas masks to every man in the service. We are taking no chances.

The type pictured here is the "can" and "elephant nose" mask and costs about $9.25 each. The headgear is transparent, made of material resembling cellophane and does not cloud with the breath. You can buy two of these gas masks with the purchase of an $18.75 War Bond. We need thousands of them. Don't fail to give at least ten percent of your income every pay day for War Bonds. Buy them at your bank or postoffice, regularly.

U. S. Treasury Department

Mrs. Backhaus of Rockdale transacted business in the Court House Tuesday.

We need able bodied men who want to work and can handle cotton. Pay is 35c per hour.

CAMERON COMPRESS COMPANY

RETURNS FROM CONVENTION

Mrs. William Balhorn returned from Beaumont Tuesday where she attended the 14th Annual Convention of the Council of Catholic Women.

The Convention was opened by an address from the Right Rev. Bishop Byrne of Galveston.

Every report at the Convention stressed the war effort of the various districts, the Red Cross work and the hundreds of garments and other items being made by the Catholic Women of the Galveston diocese.

Mrs. Parsons of Waco and Mrs. Balhorn served on the Nomination Committee for the Waco District.

CAMERON THEATRE
Thursday and Friday, October 22 and 23

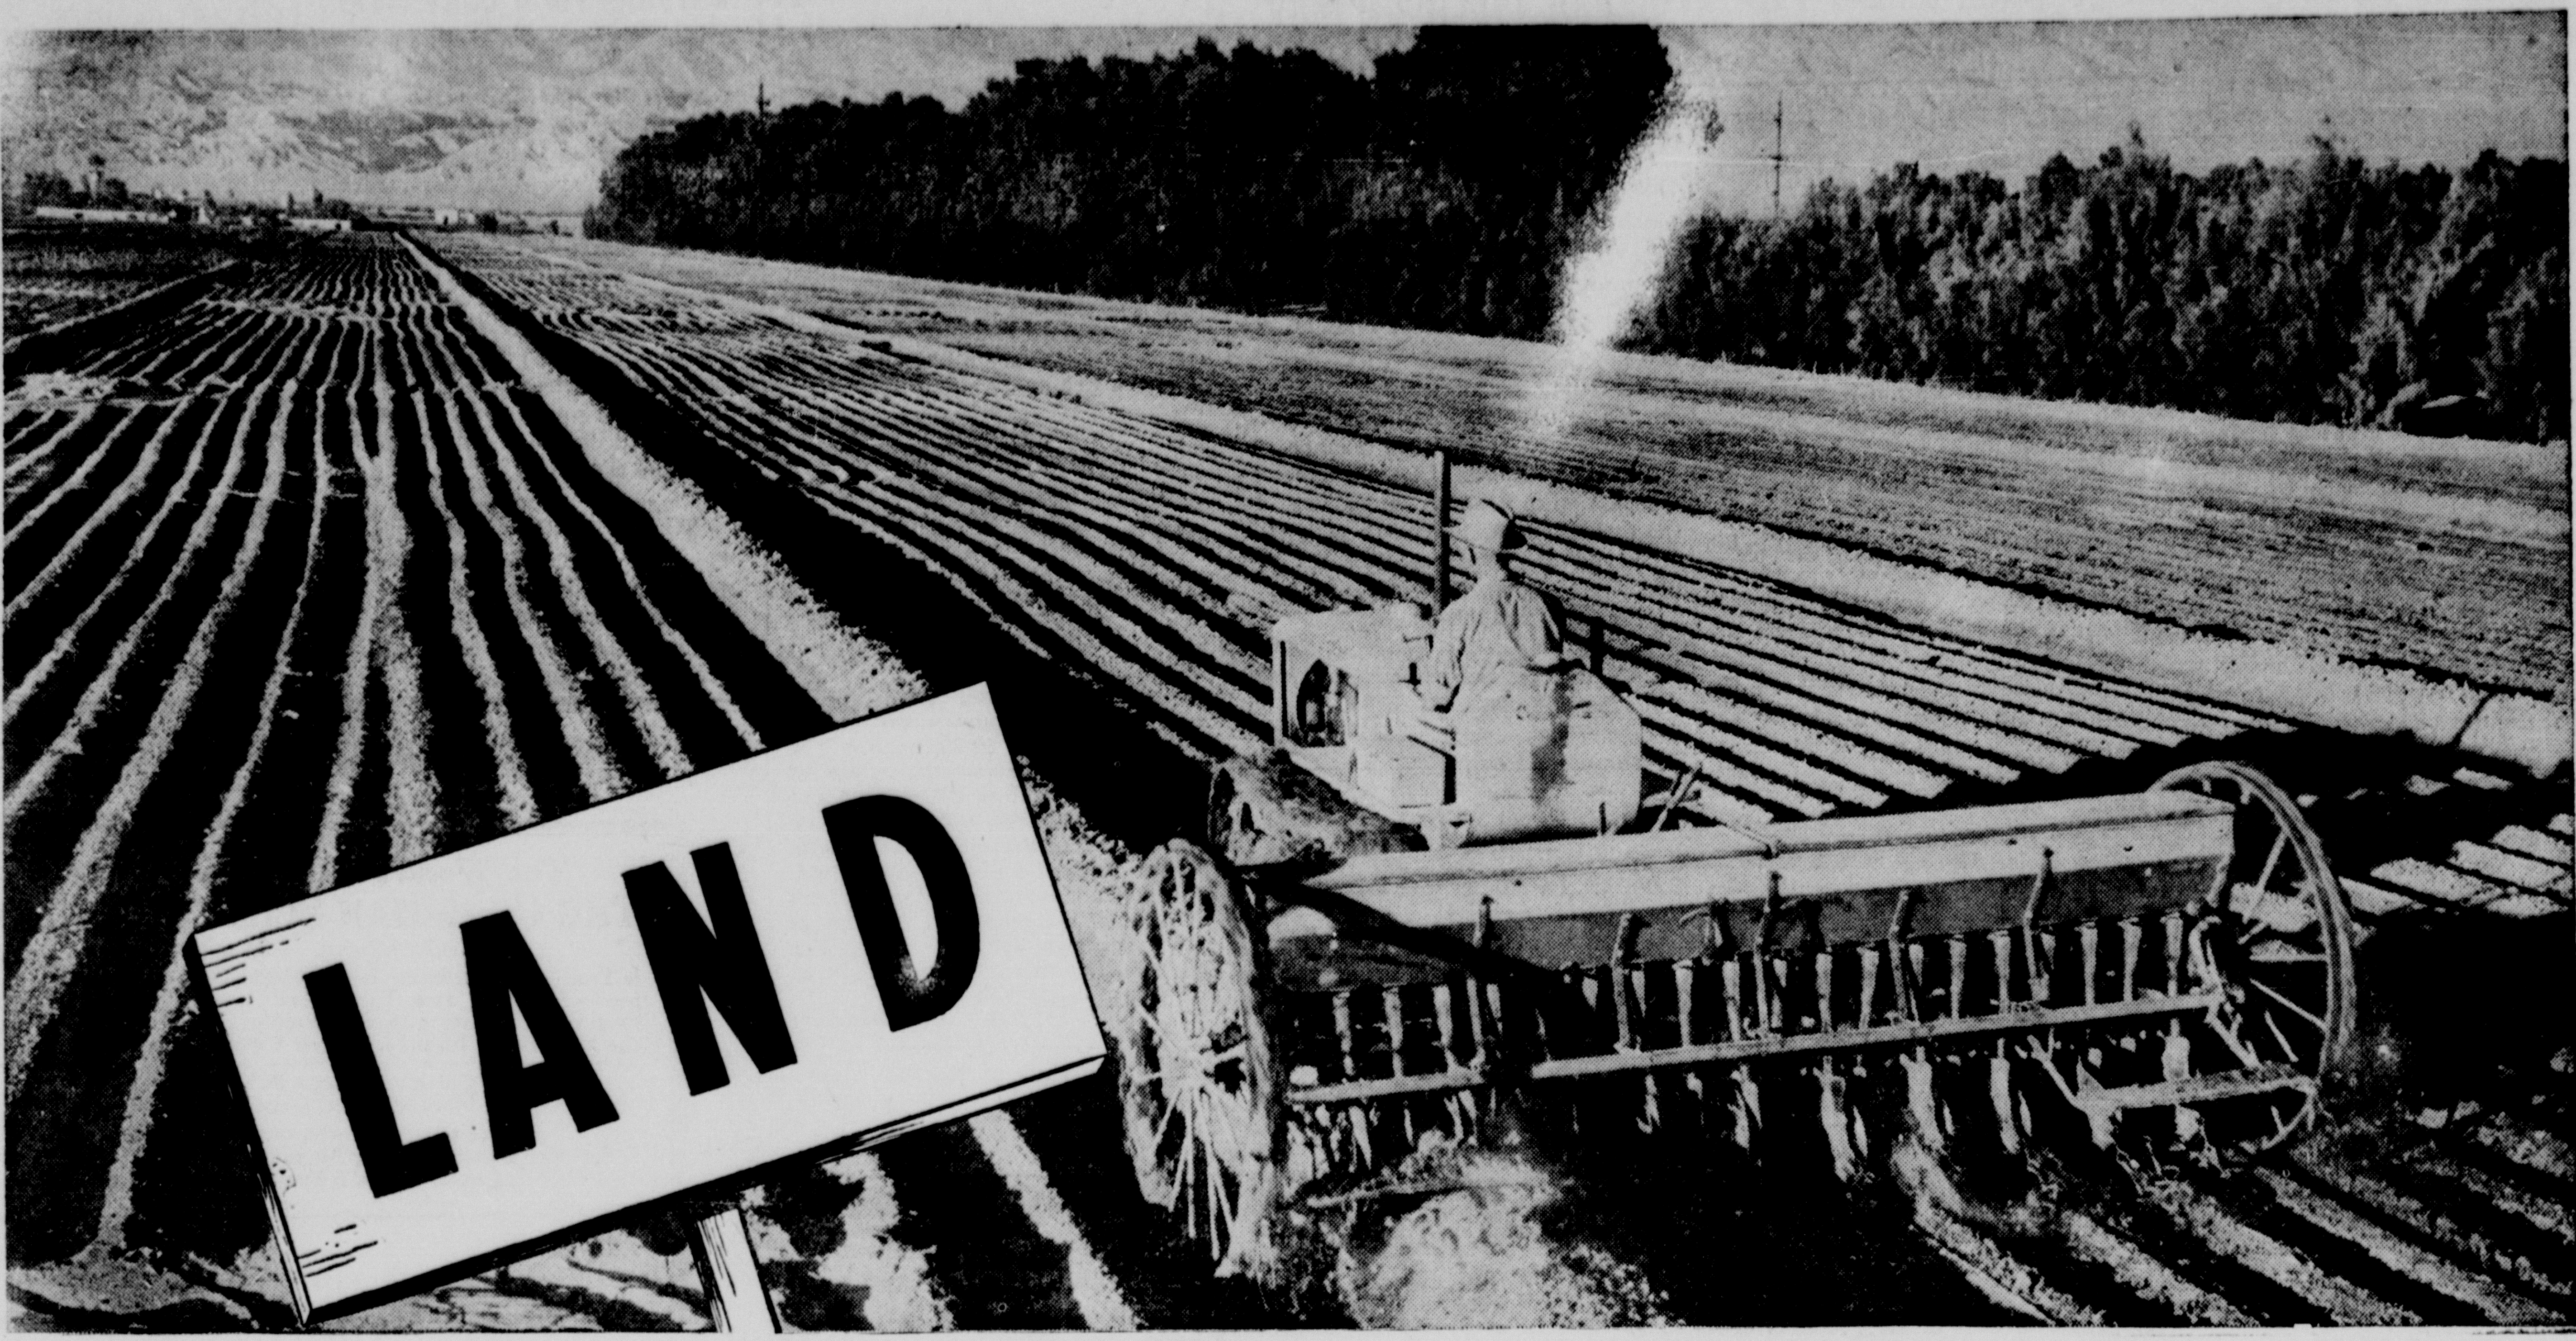
THE FORMAL OPENING OF . . . .

NEWTON MEMORIAL HOSPITAL

The formal opening to the public of Newton Memorial Hospital on Saturday and Sunday, October 17 and 18 between the hours of 2 p. m. and 5 p. m. will be a day of progress for Cameron.

The hospital is a monument to those who visioned this fine service to mankind. We wish for it every growth and expansion in service.

Cheeves Bros.



LAND . . . Thousands of acres of the finest land in the world . . . black earth, rich loam, green pastures and hills where trees reach to the clouds and their boughs touch . . . Wide, flat, well-drained land on which corn, wheat and other crops grow thick and fast.

Also upland farms, stock farms, ranches, and citrus groves as well as truck farms, tobacco farms, and cotton plantations. This land described above is America . . . not 20 acres, not 50 or 100 acres, but all of it that lies between the Atlantic and the Pacific.

How can you buy all that land? What would it cost you? A dime will buy a share of all of it . . . a 10-cent War Savings Stamp. Every War Bond that you buy gives you a bigger share of this land and it is the finest land buy in the world today!

Your government needs money to win this war, and is offering you good interest and a "money-back" guarantee for it. War Bonds offer the soundest investment in the world. With each Bond purchased you are buying a share of this great, fertile country of ours . . . and protecting your own investment in it, too!

Make EVERY Market Day "Bond Day!" Buy WAR BONDS!

EVERYBODY 10% Buy War Savings Bonds
SHOOT STRAIGHT WITH OUR BOYS

NOTE— Now You Can Buy War Bonds Through Your Rural Postman!

YOU GET A $25 BOND FOR ONLY $18.75!

Brief Facts About War Savings Bonds (Series E)

How much do they cost? You LEND Uncle Sam	Upon Maturity You Get Back
$ 18.75	$ 25.00
37.50	50.00
75.00	100.00
375.00	500.00
750.00	1,000.00

What is a War Bond? It is a written promise by the United States Government to pay you the amount of money stated on the Bond.

What interest does my money earn? When held 10 years, Bonds yield 2.9 percent on your investment, compounded semiannually. You get back $4 for every $3.

When can I get my money back? Any time after 60 days from the date the Bond was issued. Naturally, the longer you hold the Bond, up to 10 years, the more money you'll get back. But you'll never get back less than you put in.

Can anyone cash the bond? Only the person or persons whose names appear on the Bond as owners.
